Service Animals

? Service Animals Are Welcome!

We're happy to accommodate legitimate service animals that assist with a disability. ?
To ensure a safe and comfortable stay for all guests (and critters), here's our policy — made easy to follow:

? What's Allowed:

- Service animals that are well-behaved, housebroken, and under your control at all times
- Animals that meet **licensing and vaccination** requirements in your home state/city
- Service animals that are **leashed**, harnessed, or under **reliable verbal command**
- Guests who notify us **in advance** that they're bringing a service animal ?

? What's Not Allowed:

- Animals with a history of aggression toward people or other pets
- Indoor piddle pads — all service animals must be fully housebroken
- Leaving your service animal unattended
- Barking, biting, chewing, or destructive behavior (yep, we'll have to ask you both to leave if this happens)
- Climbing on furniture or counters unless medically necessary

? Clean-Up Rules:

Please bring your own "poo bags" and dispose of waste in the **large exterior trash bins**.
Sanitation matters — so please keep things clean and respectful.

? Heads up:

It's against the law to misrepresent a pet as a service animal.
Fraudulent claims = fines and legal trouble ?
Let's all keep it honest and respectful!

Thanks for understanding and helping us keep our space safe, relaxing, and 5-star ready for everyone! ?
