Getting There & Getting In

Check-In Time

Check-in is from **15:00**

*Unless we have discussed other arrangements, please do not attempt to arrive before **15:00**, so our cleaners can focus on preparing for your arrival. Wifi Troubleshooting

Troubleshooting

Please check you are connected to the correct WiFi network . Try different locations in the property, and if it's still not working, please try turn on Airplane mode and turn off your wifi, then turn it on and try again.

If that does not work, you may attempt a hard reset of the modem by powering it down for about a minute, and then restarting it. This will handle most problems.

If it still doesn't work, please read out and we will attempt to troubleshoot further.
