Check-In Time

Welcome **there** to Solar on Snowmass **Red Door**

Check-in is from 16:00

Please Note: You have booked for **N/A people**, if you have more guests attending, please advise us before checkin to ensure no penalty fees. Breaches of this policy may result in your stay being terminated without refund.

Our check-in and check-out times are set to ensure a smooth transition between guests, as there may be another booking before or after yours. We'll provide you with an access code prior to your arrival so you can check yourself in with ease.

Early check-in may be an option depending on availability. If you're planning to arrive before the standard check-in time, please reach out to us, and we'll see if we can make arrangements, we can only confirm early checkins 48hs prior to your arrival as we will then know if there is a booking the night before your stay; though we can't guarantee it.

Should you get here ahead of schedule, be sure to check out our **MAP** below, where we've put together a list of nearby places to visit and things to do while you wait.

[Check-Out](#)

Check-Out Time

Please vacate the property **before** 10:30 as the cleaners will attend shortly after checkout.

Late checkout is unfortunately not available as we will likely have guests checking in the same day between 2-4pm and the cleaners will have a number of properties to clean in the area.

Please see below checkout instructions.

Please Note: Late checkout is charged @ \$80 per hour

Before Checkout

Cleaning

While a cleaner comes through when you check out, they are there to do the linen, make the beds, vacuum the house, mop the floors, clean the bathrooms, clean the windows and surfaces around the house and kitchen.

The cleaner is not there to do dishes or pots and pans, so please be respectful and leave the property in a tidy manner. If the property is left in a terrible state, a cleaning fee of \$80 per hour will be charged.

Please put out the rubbish

Property Rules

Paying Guests Only

Registered Guests Only

- Only the number of (paying) guests included in your booking are permitted on the property. Extra guests, tents, or campervans are not allowed. If additional guests are found to have stayed without prior approval, you will be charged \$100 per person per night or may be asked to leave without refund.

No Parties

- This property has a strict **no parties** policy. Please be mindful and keep gatherings small and respectful.

No Pets

- Pets are not permitted on the property unless we give written approval, a pet fee will apply.

Furniture

- Do not move indoor furniture such as beds or tables etc between rooms. Moving furniture has the risk of damaging walls or floors and our cleaner may not be able to move it back.

Smoking allowed outside only

No more guests, tents or camper vans on the property other than what you have paid for, if it is determined you had more guests than paid for, you will be charged \$100 per night per guest.

The house is being shared with the understanding you and your guests will treat it as your own. If you want to play beer pong, no issues, just don't do it on the carpet and don't wreck anything. The house is not designed for parties or stag events, so if you're planning on getting wrecked, please choose another property as we don't want any damage to our home away from home. In saying that, we're not party poopers and have no issues with friends catching up, having drinks, playing music and just treating the house with respect and don't disturb the neighbours later at night.

A video walk through is done before checkin and post checkout.

Any damage or missing items will be recovered from you.

If the house is left in a bad state, you will be charged additional cleaning fees.

Rubbish pickup is Monday morning 8am, any rubbish on other days is to be taken to the dumb or taken home with you.

Cameras cover all four corners of the exterior of the property; by booking you are agree to being recorded. In the event of theft, damages or blatant breaking of the rules, footage may be shared with AirBNB, Police, or whom we deem appropriate.

A Minut Noise Sensor operates on the property to ensure noise is kept to an acceptable level after 10:30pm. This is an AirBNB recommended device to ensure the property isn't used for parties and to provide peace of mind to neighbouring properties.

Additional Notes

Note: Base fee includes 5 guests, additional guests are \$50 per person per night, minimum 2 nights. Only paying guests permitted on the property.

The master bedroom WIW is locked and not accessible by guests.

Please note the EV charger is free for guest use. Unfortunately, not all EV cars and chargers are the same, so it is important to note the charger is a Type 2 plug and tethered, though there is also a normal 10A plug available for use outside.

The property has a number of external cameras for the safety and security of the property. One of the cameras does have a view of the spa; again this is for safety and for proof of any damage etc.

A Minut Noise Sensor operates on the property to ensure noise is kept to an acceptable level after 10:30pm. This is an AirBNB recommended device to ensure the property isn't used for parties and to provide peace of mind to neighbouring properties.

Noise

Noise & Quiet Hours

- To ensure a peaceful environment for everyone, **no loud music after 11 PM**. If socializing outdoors, please keep voices low. If noise levels become disruptive, we kindly ask that you move inside to avoid disturbing the neighbors.

Parking & EV

Parking

There is 2 lanes that extend the length of the house that can fit about 6 cars.

Any additional cars need to be parked on the road.

Please Note: Please do not park on the grass as we have an electric mower that may get stuck under your car and get damaged. Please do not block the driveway at any point

EV Charger

There is a Type 2 EV charger under the car port you are welcome to use.

Please charge your car during offpeak times these are between

- 12pm - 5pm
- 11pm - 7am

Rubbish & Recycle

Rubbish & Recycling

What to do with Rubbish

Rubbish

Rubbish and recycling is collected every Monday at 8 AM. Please place your bins by the curb the night before or no later than 7 AM on collection day. Before you check out, we kindly ask that all indoor bins be emptied. As the cleaner may not arrive immediately after your departure, this helps keep the space fresh and free from unwanted odors or pests.

All rubbish must be in a Ruapehu District Council **PINK Rubbish Bag** before being put on the curb. We provide 1 bag per stay, additional bags can be purchased from the local New World store.

Additional Rubbish

If you have additional rubbish, you can take it to the transfer station:

Accessing the WiFi

WiFi Details

WiFi Login Details

Please use the following details to connect to our complimentary WiFi

WiFi Name: MyBnB.nz

WiFi Password: carrot01

Troubleshooting

Please ensure you have connected to **MyBnB.nz** and entered the password (**carrot01**) on the popup page and ticked "Accept terms and conditions".

If the popup page doesn't come up when you are connected to MyBnB.nz then try going to the website

http://1.1.1.1

(note this is not https) and it will hopefully open the connect page.

There are multiple wifi access points on the property, so if you are having trouble connecting from one side of the house, please try test from the opposite side of the house to see if this resolves the issue.

If you are still having issues, please reach out to us and we will see how we can help.

How to use...

Spa Pool

Spa pool

Spa Pool

The combination code for the latches is 00

Spa pool is available for use and should be hot on arrival.

We suggest bringing extra towels if you wish to use it as we only provide one towel per person.

Please **don't allow** people to walk on or lay on the spa cover as this will damage it. Please **do up all the latches** after every use as the **wind can pickup unexpectedly** and blow the cover away and damage it. **The cost to replace the spa cover is around \$750**, so please ensure your guests are aware of the liability.

To use the spa lifter, open all 6 latches/clips and then simply open it as per this 15 second video clip

<https://www.youtube.com/watch?v=kmnqCrCuqt0&t=21s>

Scan QR code to visit

While a professional spa company services the spa twice a week, we ask that you add chemicals after use.

Please add a table spoon of chlorine which can be located in the outside box beside the spa or in the dry room. If the spa is a bit murky, there is Spa Shock above the fridge, add a few table spoons.

A camera does cover the spa pool, this is for both safety and security as pools create a liability and are expensive to maintain.

BIG NO NOs

We have had instances where guests have damaged the spa cover, and also added bubble bath and Epsom salts

causing damage. Do not add anything to the spa pool other than the chemicals as instructed. If anything other than Chlorine or Spa Shock is added to the spa, a cleaning fee of \$250 will apply, plus any damages such as filter replacements, pump damage etc.

[Hot Water](#)

Hot water running cold

Gas Hot Water

If the hot water runs out and you change the gas cylinder, please advise us so we can order another spare. You can tell if a tank is full vs empty by gently tilting the tank, a full tank will be heavy whereas an empty tank will move easier.

1. Open the valve on the top of the tank of the full bottle.
2. On the Regulator (showing red as per picture below) to face the full tank.

[BBQ](#)

BBQ

Gas BBQ

The Weber BBQ is Gas operated, if the bottle is empty, please swap the bottle at the BP petrol station and take a photo of the receipt. Send a photo of the receipt to us and we will reimburse you.

To use the BBQ:

1. Turn the valve on the gas bottle to Open
2. Turn the two knobs on the bbq on
3. Press the ignition to light the fire
4. Once finished BBQ'ing, please turn both knobs off and remember to Close the gas bottle valve.

Common Problems

If the ignition source is not working, please look to the left of the BBQ for the white ignition prong, it may need adjusting while you continue to attempt the ignition.

If it doesnt seem like gas is coming out, i.e. you cant smell gas and you know there is gas in the bottle and all valves and knobs are turned on, the regulator may have gone into safety mode. Please watch the video below to reset the regulator.

Kitchen Appliances

Stove

If the stove isn't working, try holding down the LOCK button for 3–5 seconds to disable the safety lock.

If it still doesn't turn on, ensure you've placed a pot or pan on the element—our stove uses induction technology, which requires a compatible metal cookware item to activate.

If neither of these steps resolves the issue, turn the oven off at the main switch located behind it, wait for 10 seconds, and then turn it back on.
