Front Door Lock

? Schlage Encode Smart Lock Guide

Welcome! Our home is equipped with a **Schlage Encode Smart Lock** for your convenience. Here's how to access the property safely and easily.

1?? Using Your Personal Access Code

1. On the keypad, **enter the 4–8 digit access code** provided in your booking confirmation or guest message.
2. Press the **Schlage button** (the round button above the keypad) to unlock the door.
3. Turn the handle to open the door.

? **Tip:** Your personal code is active **only for the dates of your stay**. After checkout, it will automatically deactivate.

2?? Locking the Door

- Press the **Schlage button** once and close the door — the lock will automatically secure.
- Always double-check that the door is fully closed and locked.

3?? Troubleshooting

- **Door won't unlock:**
 - Re-enter your code carefully (numbers must be pressed firmly).
 - Ensure the lock is fully seated on the door.
 - If the battery is low, a red indicator will appear on the keypad.
- **Lock is unresponsive:** Try pressing the **Schlage button** and entering the code again.

4?? Safety Tips

- Do **not share your personal access code** with anyone outside your group.
- The lock is **battery-powered**; a low battery indicator may appear, but it will remain functional for a short time.
- Check that the door is fully closed when leaving to ensure the lock engages.

5?? Enjoy Your Stay

- The Schlage Encode lock makes it easy to **come and go** without keys.
- If you encounter any issues, send us a message — we'll help immediately!

Check-In Time

Welcome there

Check-in is from **16:00**

Our check-in and check-out times are set to ensure a smooth transition between guests, as there may be another booking before or after yours. We'll provide you with an access code prior to your arrival so you can check yourself in with ease.

Early check-in may be an option depending on availability. If you're planning to arrive before the standard check-in time, please reach out to us, and we'll see if we can make arrangements—though we can't guarantee it.

Should you get here ahead of schedule, be sure to check out our **MAP** below, where we've put together a list of nearby places to visit and things to do while you wait.

Keys

The smartlock code will be sent to you several days prior to check-in.

Check-Out Time

We hope you've had an absolutely fabulous stay at Bearfoot Bungalow! It has truly been our pleasure and joy to host you, and we hope your time here was filled with fun, laughter, and wonderful memories. As your stay comes to a close, here are a few quick check-out reminders to help wrap things up smoothly:

- Do not strip the beds
- Please leave all sheets and comforters on the beds
- Dirty towels should be placed in a pile on the bathroom floor
- Load and start the dishwasher before leaving, and leave no dirty dishes behind
- All trash should be bagged and placed outside in the receptacles. If any trash doesn't fit, please bag it and leave it in the kitchen
- Return all furniture to its original location
- Keep any unused food items in the refrigerator to prevent wildlife from getting into the trash.

Your check-out time is 10:00, unless we've made other arrangements in writing. If you're heading out especially early, please let us know — our housekeeping team is always grateful for the heads-up! You'll find simple check-out instructions in the welcome guide, and of course, if you have any questions at all, don't hesitate to reach out — we're always happy to help!

We truly hope your stay was so enjoyable that it inspires a glowing 5-star review, as your feedback means the world to us and helps us continue creating amazing experiences for future guests. Wishing you safe travels home, and we would be absolutely delighted to welcome you back to Bearfoot Bungalow anytime!

Rubbish & Recycle

?? Garbage & Bear Safety We're in bear country, and your help is essential in keeping everyone — and the bears — safe! ? Please place all garbage in the bear-proof containers provided, and ensure each lid is fully closed and locked after every use. Keep all food, drinks, coolers, grills, and scented items inside the house or secured in containers — never leave them outdoors or on decks. Do not store food or trash inside vehicles. Bears have been known to get into locked cars if they smell something interesting inside. There are 10 bear-proof containers available for your use. If you need trash pickup during your stay, it can be arranged for an additional fee — just send us a message. Motion lights are installed around the property for your safety and to help deter wildlife at night.

TV

? Smart TV / Streaming Guide

Welcome! Our home features **Smart TVs** in the living areas and bedrooms. All TVs are **streaming only** — no cable or satellite. Here's how to enjoy your favorite shows and movies.

1. Turning On the TV

1. Grab the **TV remote** (usually on the coffee table or bedside table).
2. Press the **Power** button. The screen will light up.
3. If nothing appears, make sure the TV is plugged in and the outlet is switched on.

2. Accessing Streaming Apps

1. Press the **Home / Smart** button on the remote.
2. Navigate to your app of choice (e.g., Netflix, Hulu, Disney+, Prime Video, YouTube).
3. Enter the login credentials provided in your guest guide (or use your personal account).
4. Use the arrow buttons and **OK / Select** to browse and play content.
5. To exit an app, press the **Home** or **Back** button.

3. Casting / Screen Mirroring

- **Apple Devices:** Use **AirPlay** and select the TV name.
- **Android Devices:** Use **Cast / Smart View** and select the TV.
- Disconnect your device when finished to allow the next guest to connect.

4. Adjusting Volume & Audio

- Use the **TV remote** to adjust the volume.
- Ensure Bluetooth is off if you're not streaming from a device to avoid audio conflicts.

5. Troubleshooting

- **TV won't turn on:** Check the power cord and outlet.

- **No sound:** Check TV volume and mute settings; check soundbar if applicable.
- **App not loading / content buffering:** Make sure the TV is **connected to WiFi**. Go to Settings ? Network ? Check that the TV shows the correct WiFi network. Restart the TV if necessary.
- **Remote not working:** Replace batteries (spare batteries are in the kitchen drawer labeled “TV”).

6. Quick Tips

- Return the TV to the **home screen** after use.
- Do **not unplug HDMI or other cables**.
- Children must be supervised while using the Smart TV.

Thermostat

?? Thermostat Guide

Your comfort is important! Our home has **two smart thermostats**:

- **Upstairs Great Room** – controls the main living area
- **Downstairs Game Room** – controls the lower level

Here's how to use them safely and easily.

1. Adjusting Temperature

- Tap the screen or use the **+ / – buttons** to set your desired temperature.
- **Recommended settings:**
 - **Summer:** 72–75°F
 - **Winter:** 68–71°F
- The thermostat will automatically regulate airflow and maintain comfort in the designated zone.

2. Fan Settings

- Press **Fan** to switch between:
 - **Auto** – fan runs only when heating/cooling is on (recommended)
 - **On** – fan runs continuously
- **Tip:** Keep on **Auto** for energy savings.

3. Important Notes & Best Practices

- **Two Zones:** Adjust the upstairs thermostat for the Great Room; adjust the downstairs thermostat for the Game Room. They do not control each other.
- **Energy Saving / Comfort:** Please **do not block vents** with furniture or towels.
- **AC Stress:** On very hot days, if the AC runs constantly, it may **back up or overwork**.
 - **Best Practice:** Keep doors and windows **closed during the day** to avoid stressing the system.
 - Close blinds or curtains to help maintain indoor temperature.
- **Air Conditioning / Heating:** The thermostat automatically cycles to maintain your selected temperature.

4. Troubleshooting

- **Thermostat not responding:** Tap the screen or press the power button.

- **Temperature not changing:** Check that the thermostat is in **manual mode** rather than a preset schedule.

? **Tip:** Adjust the thermostats to keep your spaces comfy without overloading the system — especially if some areas are empty during the day.

Pool

???? Pool & Safety Guide

Welcome to your private pool! Here's everything you need to know to **have fun safely**.

Pool Service

- Our pool is professionally **serviced weekly** (usually on Wednesdays).
- This keeps the water **clean, safe, and ready** for your enjoyment.

Access & Alarm

- The pool area is secured with a **separate coded lock** and **door alarm**.
- **To Enter:**
 1. Enter the code: **2591**
 2. Briefly press the **alarm button** before opening the door
- **Important:** If you open the door without pressing the alarm button first, the alarm will sound — press the same button to silence it.
- The alarm also activates if the door is **left open**; please keep it closed when not in use.
- **Exiting:** Press the **alarm override button** on the inside before opening the door.

? **Always keep the pool door locked** when the area is not in use.

Safety Rules

- **Children must be supervised at all times**
- **No running** in or around the pool
- **No glass** anywhere in the pool area

Pool Temperature ?

- The pool is **heated**, but during colder months, it may not reach the same warmth as in summer.
- Want it a little warmer? We can **increase the temperature** for an **additional fee** — just send us a message!

Indoor Fireplaces

? Fireplace Guide

Our home features **two electric fireplaces** for cozy ambiance:

- **Upstairs Great Room**
- **Downstairs Game Room**

Both fireplaces are operated with **remote controls** for your convenience.

1?? Turning On / Off

1. Use the **remote control** provided with each fireplace.
2. Press the **Power / On button** to start the fireplace.
3. Press **Off** to turn it off when not in use.

2?? Adjusting Flame & Heat

- **Flame Settings:** Press the **Flame / Effect** button to adjust brightness or flame style.
- **Heat Settings:** Press **Heat / Temperature** buttons to control warmth.
- The fireplaces can be used **for ambiance only** with heat turned off.

3?? Safety Guidelines

- **Children must be supervised** when the fireplace is on.
- Keep **flammable items** (blankets, paper, furniture) at least 3 feet away.
- Do **not attempt to move or open** the fireplace housing.
- Turn off the fireplace when leaving the room or going to bed.

4?? Troubleshooting

- **Fireplace won't turn on:**
 - Check that it's plugged in and switched on at the outlet.
 - Replace batteries in the remote if needed.
 - Ensure **child lock** (if available) is not activated.

- **Heat or flame not responding:** Try turning off and on again using the remote.

Hot Tub

? Hot Tub & Safety Guide

Relax, unwind, and enjoy the mountain air! Here's everything you need to know for a **safe and enjoyable soak**.

Clean & Ready for You

- The hot tub is **drained, cleaned, refilled, and professionally serviced after every guest**.
- **Note:** If it was recently refilled, it may still be **warming up** when you arrive.

Using the Hot Tub

- **Remove the cover carefully** and place it on the holder or designated area.
- **Always replace and secure the cover** when not in use — this keeps the water clean, conserves heat, and protects children and wildlife.

Safety Rules

- **Children must be supervised** at all times
- **No running, diving, or horseplay** in or around the tub
- **No glass containers** near the hot tub — use plastic cups or cans only
- **Do not add soaps, oils, or bubbles;** this can damage the filtration system
- Limit soak time to **15–20 minutes**
- **Avoid use after alcohol consumption** or if you feel overheated

Tips for Enjoying the Hot Tub

- Keep the cover on when not in use to **retain heat**
- Replace the cover fully and securely after each use to **protect the tub from the mountain weather**
- Sit back, relax, and enjoy one of the coziest spots in the house! ?
